# STYLE

## ***Retro Design***

Elegance meets modern design in the Destini 125 Xtec's retro-inspired styling. With its refined chrome accents, this scooter exudes a classic charm that effortlessly blends timeless appeal with contemporary features. It's a ride that's as stylish as it is functional, setting you apart from the ordinary.

## ***Chrome Styling***

Elevate your ride with sleek chrome accents that add a touch of sophistication. From the mirrors to the exhaust, every chrome detail is carefully crafted to complement the scooter's overall aesthetic, ensuring you turn heads wherever you go.

Make a bold statement with the projector LED headlamp, complete with Daytime Running Lights (DRLs). This modern feature not only enhances your visibility on the road but also adds a stylish edge to your scooter, ensuring you ride with confidence day or night.

## ***Projector LED With DRL***

# COMFORT

The Hero Destini 125 Xtec is engineered to provide a superior level of comfort, ensuring that every ride is smooth and enjoyable, no matter the distance or terrain.

Manoeuvre through the city with ease and stability. The larger wheels offer the perfect balance between agility and smoothness, making your daily commute or weekend ride more enjoyable and secure.

**Larger Wheels**

Say goodbye to cramped rides. The spacious design offers generous legroom, allowing both the rider and passenger to stretch out and enjoy a relaxed journey, even when carrying extra cargo.

### ***Spacious Legroom***

Designed for those who value comfort, the longer seat with built-in lumbar support ensures that even the longest rides are comfortable. Arrive at your destination refreshed, no matter how far you travel.

### ***Longer Seat***

# SAFETY

Experience the superior responsiveness of disc brakes for a safer and more enjoyable riding experience. Enjoy improved control and reduced fade, ensuring confidence and peace of mind in every journey.

**Disc Brake**

Focus on the road, not your blinker. This **first-in-segment** feature automatically deactivates\* the turn signal after you complete a turn, enhancing safety and giving you a stress-free ride.

**Auto-Cancel Winkers**
